

**Children's Ministry Courses  
offered through KSOM  
in conjunction with  
The Kentucky District Children's Department**

KSOM and Kentucky Children's Ministries are partnering together to provide classroom training and instruction for our children's workers. We will offer four classes, each offered once a year, that can help provide instruction for a new children's leader or provide continuing education for an experienced Children's Pastor. Each class will consist of 5 hours of classroom instruction, textbook, a lengthy study guide and exam. At the completion of the four classes the student will receive a

"Certificate of Children's Ministry" from KSOM.

Registration for these classes is handled through the KSOM office. Please call Debbie Brown 502-241-7111 Ext. 22
