

**Youth Ministry Courses
offered through KSOM
in conjunction with
The Kentucky Youth Ministries Department**

KSOM and Kentucky Youth Ministries are partnering together to provide classroom training and instruction for our youth leaders. We will offer four classes per year that can help provide instruction for a new youth leader or provide continuing education for an experienced youth leader. Each class will consist of 5 hours of classroom instruction, textbook, a lengthy study guide and exam. At the completion of the four classes the student will receive a

“Certificate of Youth Ministry” from KSOM.

Registration for these classes is handled through the KSOM office. Please call Debbie Brown 502-241-7111 Ext. 22
