CHANGE ONE CHILD'S LIFE

Joseph S. Girdler, DMin
KMN SUPERINTENDENT

jgirdler@kyag.org

It's been said, "We can't erase all of your fears, but we can tell you that foster parents who want to adopt find this path more than worth it in the end." As of August 6, 2023, Kentucky has 8352 children in the Foster Care system. Only +/-3000 are in foster homes, leaving easily 5000 children awaiting a family, awaiting a nurturing home, awaiting safety, awaiting guidance, awaiting love.

I've committed vision casting to our KMN making a difference. There are Godly moms and dads and Godly families in each of our churches who can change the lives of one of these children. Consider Foster Care / Adoption. Call us. How can we assist you?

Sincerely yours and for our families,

Pastor Joe

OUR CHURCHES CAN MAKE A DIFFERENCE

Rev. Terry Crigger
KMN ASST. SUPERINTENDENT

tcrigger@christschapel.net

We have several families at Christ's Chapel that have foster children in their homes. In some instances, this journey leads to adoption. In every instance, I am inspired and impressed with the level of commitment required to create 'family' for kids who otherwise would have limited access to compassionate care and the benefits of a faith community. The numbers are staggering. Over 400,000 U.S. children are in foster care.

Our local churches can make a real difference in the lives of some of the most vulnerable members of our society. The mandate of scripture is clear. God's heart is for the fatherless and orphaned, those who are marginalized in our culture.

We recently took a full weekend of services to have one of our foster care families tell their story. We additionally recognized all the parents that have either adopted or foster care children as part of their family. The following Monday, we invited a local foster care agency to come and answer questions from those in our congregation considering their own options. Our goal was primarily to educate and hopefully inspire interest, but also to build support for those already on this journey.

There are four additional ways your local church can have a positive impact on the foster care system...

1. **Pray:** Gather members from your church and pray for children and families already involved in the foster care system. Ask God to give your church family specific ways to get more involved on a hands-on level.
2. **Educate:** Similar to most cultural issues, the American church often lacks awareness and education of the facts that will enable believers to make a focused and informed plan of action.
3. **Implement a Plan:** Take the next step and put into place specific actions to move the conversation forward. Celebrate victories, birthdays, and special moments in your service to keep awareness alive and give attention to the children and families already on this journey.
4. **Stay Engaged:** Encourage members of your local church to consider being foster or adoptive parents. Look for opportunities to come alongside those in your church that are already doing so, offering them a few days off by providing care for their children.

By the grace of God,

Terry Crigger

MOSES WAS A FOSTER KID

Rev. Darren Lewis
KMN SECRETARY/TREASURER

dlewis@kyag.org

Our hearts are often moved when we think of adoption and foster care. However, our hearts being moved does not always result in action. It is easy to hear of a need, but assume someone else will be the solution. Indeed, I recognize not everyone is equipped to foster or adopt a child. Much like the mandate of missions, we are all called to do something. You may not be called to go, but you are called to support those who are going.

Children in orphanages or foster care are all kids of trauma. As such, stepping into their world of hurt is a calling. It is not for the faint of heart. It is God's heart. Jesus was adopted by His earthly father, Joseph. Moses was a foster kid. He was placed in a basket in the Nile River because his life was in danger if he remained with his birth parents. In God's providence, Moses ended up in the home of Pharaoh's daughter—a foster son who grew up in the presence of royalty.

God had a divine plan for Moses' life as he does for the 400,000+ kids in foster care across America. Over the past twelve years, Jenna and I have sought to be a voice for these kids. We are always honored when a pastor or member of one of our churches reaches out to us for information, guidance, and prayer. The time has come for KMN to have a full-time person devoted to the foster care crisis in KY. Pastor Joe covered stats from our state; I will not present those again. Suffice it to say that the need is great and is growing.

We are thankful for the overturning of Roe V. Wade in America. That decision increases the need and opportunity for Christ's church to actively participate in foster care. Every one

of our churches can be involved at some level. We can all work to be a part of the solution. I will again represent KMN in December at the AG Foster Network Conf in Dallas, TX. If you are interested in joining Jenna and me, I encourage you to make plans now.

>> <https://www.agfostercare.network/conference2023/>

Over the years, churches across America have contacted their local foster care offices to offer their assistance. In many cases, with great success. At other times, the foster care workers find themselves with another promise yet unfulfilled. How do we help our local churches and the foster care system? The answer is through the recruitment of a Foster Care Chaplain in KY. This position, appointed by AGUSM, is focused on the full-time and ongoing support of our KY foster care system and connecting us, the local body, to the foster needs in our local community.

- Will you consider joining Jenna and me in Dallas this December?
- Will you join me in asking God to raise a foster care chaplain here in KMN?
- Will you pledge to support our foster care chaplain monthly once he/she is in place?
- Will you prayerfully consider whether God is calling you to foster care chaplaincy?

Every child in every community deserves a chance at a better life and an introduction to Jesus Christ. Who knows, God may bring another Moses into your care.

**U40 (Under 40
 Ministers)**

>> *"A father to the fatherless, a defender of widows, is God in his holy dwelling. God sets the lonely in families, he leads out the prisoners with singing; but the rebellious live in a sun-scorched land" (Psalm 86:5-6).*

Maybe you grew up without a father; far too many do. Everyone battles loneliness at one time or another, in one way or another. But God is not passive in those moments or seasons. He defends. He sets. He leads out.

My U40 friend, you know this. You preach this to lonely, grieving, disconnected people you serve in ministry. God uses us as spiritual mothers and fathers to baby believers, developing disciples, and sometimes even to seasoned saints. (Don't sleep on my alliteration skills.)

But this promise is for us. **It is for you.** Are you looking for a coach as you navigate life in ministry? God is a father to the fatherless, and He sets the lonely in families. Are you bothered by your singleness or by the fact that you are single again? God is a defender

of widows—of everyone grieving lost love. You may feel trapped...isolated...cut off. But God leads prisoners out with singing. Only the chronically rebellious die in the desert.

Let me make a practical suggestion: Go to your sectional council in October. Strike up a conversation with the executive leadership team member facilitating your meeting (Pastor Joe, Pastor Terry, Pastor Darren, or Pastor Dick). Look for a fellow U40 minister, and schedule coffee or lunch. Watch the ministers who are older than you—introduce yourself to the one making real connections with other people in the room.

God sets the lonely in families—the Kentucky Ministry Network is a family. We are better together, and the best is yet to come!

At the bottom of the graphic, the text 'Register at kyag.org/U40 to receive the mtg link' is written in a white, sans-serif font.

KMN is working hard to provide U40 ministers with opportunities for spiritual growth and leadership development. Our new **Coaching Calls** will interview a special guest who can offer insight and inspiration to us as young ministry leaders and calls will close with Q&A time. These gatherings start at 7:00 PM, Eastern Standard Time, and should last about 1 hour. I hope you will join us on this journey of becoming more of who God is calling us to be. The best is yet to come!

GUEST CONTRIBUTOR, ERIC PORTER

Founder, Backyard Orphans
— backyardorphans.org

Hey Church Leaders! We see you and you are doing fantastic but difficult work. You're juggling so many things from sermon preparation to fundraising, from pastoral care to administrative tasks and leading a team. You're doing your best to propel people forward towards the grace and love of Jesus week in and week out, but sometimes the weight of your calling gets heavy. There are so many hurting people around you.

YOUR BACKYARD

There are broken families and desperate parents. There are kids right now in your community who need a place to lay their head at night. There are kids who need a warm meal, parental figures who can love them, and a place to call home. These kids exist in your backyard. They ride the school bus that passes your house each morning and they play at the park down the street from your church each week.

We aren't just talking about a few kids. There are 400,000 children in the U.S. foster care system. Yes, that's an overwhelming number, but here's the good news: there are 350,000 churches in the U.S., including yours. God has chosen us, the Church, to care for them. James 1:27 says that pure religion is to look after orphans and widows in their distress. This mandate James writes about is for everyone. We're not all called to foster or adopt, but we are all called to do something.

Perhaps you're motivated to get involved, but you don't know where to start. You may

be asking, "What would this ministry look like in my church?" "How does someone become a foster parent?" "How do we identify those who need church support?"

It can be paralyzing to begin asking those big questions. It can be intimidating to think about working with government and agencies. "Where do I start?" "Who do I call?" "What do I ask?"

All of the endless questions can feel like a burden and a hard task adding to that weight you feel as a pastor. Don't sweat it, though. That's where Backyard Orphans come in!

THE CHURCH'S ROLE

Our team of trainers is excited and ready to help guide you! Each member of the training field team has spent years both in the foster care world and in pastoral church ministry. Our passion is to serve you well. We will guide you in developing a comprehensive foster care, adoption, and support ministry. We will walk alongside your team every step of the way, from the first point of contact to launching this ministry and beyond.

Our workshops are comprehensive, thorough, customizable, and easy to learn from:

- **One Day | Church Staff & Orphan Care Leaders | Partial or Full Day**
One Day offers church staff and volunteer leaders holistic training on church-based orphan care and a thorough plan to develop a foster care, adoption, and support ministry.

The Porter family

- **Onboard | Church Staff | 2 Hours**
Onboard is a mini-workshop designed for pastoral staff to unify the vision of orphan care across every department within your church.
- **Grow | Next Generation Volunteers | 2 Hours**
Grow's mini-workshop is packed with practical tools for kids and youth volunteers to utilize as they disciple the children from hard places in their care each week.

WHAT IF...

If the church remains silent and inactive, kids in care will remain in need of families. In fact, there are counties that have foster children spending nights in shelters and child welfare offices because there are not enough foster homes to place these children in.

If the church remains silent and inactive, current foster families within churches and communities remain in need of support. Lack of support leads to higher burnout rates, and higher burnout rates lead to more children moving from home to home without the stability they need.

If we, the Church, remain silent and inactive, we will miss a God-given opportunity to share the love of Jesus. The Church has a responsibility to care for orphans. We must respond in obedience to the mandate spelled out in Scripture.

info@backyardorphans.org
(972) 638-0117
[facebook.com/backyardorphans](https://www.facebook.com/backyardorphans)

But what if the Church speaks up and becomes active in orphan care? We'll see children find families, families find support, communities find healing, and people find the Gospel. And we, the Church? Well, we will find an unspeakable joy that comes from serving the "least of these."

Are you ready to get involved now?

1. Bringing awareness to the need on a Sunday is a great way to get started! Nov 12, 2023 is the annual Orphan Care Sunday. Learn more about this global initiative at orphansunday.org!
2. Meeting with us is another great way to get started! Our experienced team can give you more information about what a foster care, adoption, and support ministry would look like in your church.

“I knew I didn't want to become a murderer...”

Jose* (name changed) grew up in a single-parent home in Mexico. At 9 years old he ran away from his dysfunctional home and went to the streets. His mother never looked for him, though she knew where he was. For three days he had nothing to eat. “I prayed to God, but he didn’t answer...” he remembers. In desperate need, he knew where to get a job: with the neighborhood drug dealer. For the next few years he survived by selling drugs, and ended up dating his employer's daughter and having a baby with her.

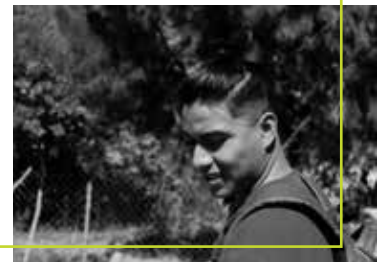

When his boss asked Jose to go kill a man, his world changed. “I knew I didn't want to become a murderer...” he said. So he spared the man’s life. However, the man whose life he was supposed to take came looking to murder him. Finding only Jose’s girlfriend, he killed her instead. Her enraged father was ready to kill Jose, but gave him a chance to run away only because he was the father of his grandchild. So at the age of 16, the father of a child, and sought for revenge, Jose fled from people who wanted to have him killed and came to the United States to start a new life.

By the time we met Jose, he had contemplated suicide three times. But God was working on his behalf! He ended up coming to one of our local hispanic churches, where they were able to help him find a job, a family to stay with, and help

him get to school! He is in the process of learning that there is a God who loves him!

After speaking with a representative of the school district, we learned that like Jose, many minors come to the United States under extreme circumstances—undocumented, homeless, no relatives, and limited opportunities to make it. Through Jose, we became aware of the need for ministries to care for kids like him, and show them the love of God. They need to be protected, equipped to make it in life, and introduced to the love of a father that never fails or neglects them—God!

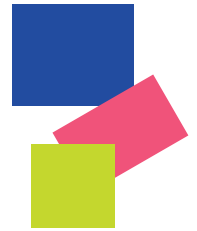

Would you pray with us as we continue to learn about this vulnerable group and develop a ministry to serve them? We thank you for your prayers and support!

RADIO LATIDO WILL GO ON FM RADIO

T Three and a half years ago we started Radio Latido, an online radio station broadcasting Spanish music and sermons 24/7. One year later, we applied with the FCC for an FM radio frequency. **Our application was approved and 2 years ago we were granted a construction permit for a local radio station.**

We started remodeling what used to be a dairy farm's milking house into what is going to be our station's studio. In the coming months, we will officially launch Radio Latido 88.1 FM, which will be the first Christian Spanish-speaking radio station to reach LaRue County and the surrounding areas.

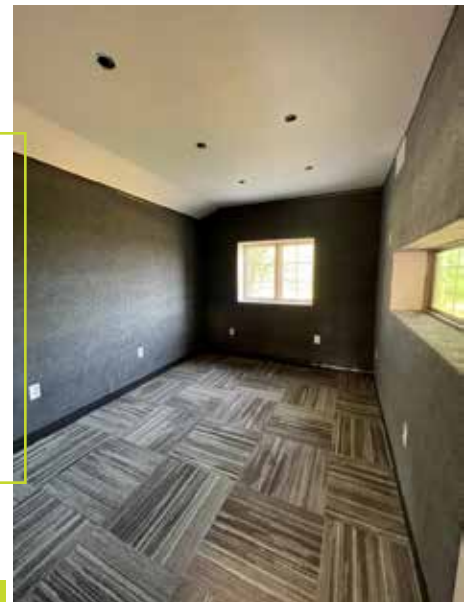

We still need your prayers and financial support!

Together we can bring God's spoken word in Spanish to your community. **For the first time in over 15 years the FCC is allowing churches to get a free FM radio frequency in their area.** Your church can now partner with us by applying for a low frequency Educational Radio, and, if approved, we will take care of the operations and programming.

Let's reach Hispanics with the Gospel of Jesus Christ!

Ephesians 1:5, "God decided in advance to adopt us into his own family by bringing us to himself through Jesus Christ. This is what he wanted to do, and it gave him great delight." The story of the Bible is the story of adoption. We are all adopted into God's spiritual family as a chosen child of God.

when He adopted you as His own children" (NLT).

At PowWow this year we had many boys receive Christ as their Savior. New sons of God! Sunday morning some were baptized at camp in the Cumberland River.

Romans 18:12, "For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, 'Abba! Father!'" (KJV). This verse contrasts two spirits: an impersonal "spirit of bondage" or "spirit of slavery" and the Holy Spirit, called here "the Spirit of adoption." Other translations render the phrase the Spirit of adoption as "God's Spirit

1 Peter 2:9, "But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light."
