# Kentucky School of Ministry (KSOM)

## KSOM Statement of Purpose:

The Kentucky District School of Ministry exists to provide training for those sensing a call to ministry, whether as credentialed ministers of the Assemblies of God, or as equipped laypersons within the local church. The school seeks to promote a unified purpose for ministry within the Fellowship, providing doctrinal and practical instruction based upon common core values and shared ministry goals.

The faculty and leadership of KSOM are fully committed to the statement of Fundamental Truths of the Assemblies of God and KSOM is committed to proclaim and support the principles and polity of the Assemblies of God. KSOM commits itself to provide training courses that meet District and General Council educational requirements for ministerial credentials.

Furthermore, KSOM seeks to fulfill the mission of the Kentucky Ministry Network of the Assemblies of God in developing healthy leaders, churches and ministries.

## Internship Purpose/Mission:

The KSOM internship strategy enables students to confirm God's call, develop a Christ-like character, gain the competencies of ethical and effective ministry and develop the personal disciplines essential to a successful life and ministry. This strategy uses guided "hands on" ministry experiences, interaction with qualified mentors/coaches, and the exercise of personal spiritual disciplines to accomplish its mission.

## Internship Objectives/Goals:

- a. Exposure to a variety of ministry methods, skills and practices
- b. Develop effective people and conflict resolution skills
- c. Establish ethical standards of ministry
- d. Fulfill the Assemblies of God General Council internship requirements
- e. Minister effectively within the fellowship
- f. Seek "best practice" experiences and exposure to effective ministry systems and structures
- g. Develop skills and gifts for maximum effectiveness in ministry
- h. Develop the disciplines of effective servant leadership

## Internship Characteristics/Values:

- a. Student Value: Equip students for effective ministry.
- b. Student Participation: Students actively participate in the design and fulfillment of these standards and objectives.
- c. Cooperative Fellowship: Value ministry within the Assemblies of God in a way that faithfully fulfills the vision of a "voluntary cooperative fellowship."
- d. Biblical Fidelity: Students develop ministry that is faithful to biblical teaching, values, principles and world view.
- e. Flexibility: Students can "tailor" their internship experience in ways that better meet their needs and fulfill the requirements.
- f. Encourage Development: Students value and develop the skills needed to pursue spiritual, personal and professional development throughout their lives.

## Internship Exemption:

Students who feel that they have attained the competency described in the Certified Internship, based on previous training or ministerial experience, may request, in writing, an **Internship Exemption**. The request must include a clear statement of how the standard has been met according to each project objective and documentation (if possible and appropriate). Students seeking an exemption from some standards must submit their request to KSOM leadership **PRIOR** to the completion of their internship. Students seeking an exemption for the entire internship must submit their request to the Secretary-Treasurer of the Kentucky Ministry Network of the Assemblies of God.

***\*\*Please note:*** A student may be granted only one **Internship Exemption**. If credit is given for the Certified level internship, that student is not eligible to request an exemption for any other level internship.

## Mentors/Coaches:

The selection of an appropriate mentor/coach(es) is critical to the success of the internship process. As used in this portfolio, “mentor” refers to that person overseeing the entire internship. “Coach” refers to those persons with outstanding qualifications recruited by the student to gain a “best practice” experience in a given project. The “mentor” and “coach” may be the same person. Coaches, other than the mentor, are to be selected with the recommendation or approval of the mentor. Often the mentor is the senior pastor, but can be another qualified person, such as the Sectional Presbyter, or another Assemblies of God minister who is fully cooperative and supportive of the ministries and policies of the Kentucky Ministry Network of the Assemblies of God. *All mentors must be approved by the Secretary-Treasurer of the Kentucky Ministry Network. Once a Mentor is approved, he/she must complete an Internship Mentor Instructional Video and submit a Mentor Covenant Survey before an internship can begin.*

***The student is responsible for the selection and recruitment of appropriate/qualified mentor/coach(es) in accordance with the following standards.***

## Mentor Qualifications:

An appropriate and qualified mentor must:

1. Be ordained or credentialed (with the AG) one level above the credential the student is seeking.
2. Be approved as a KSOM qualified mentor.
3. Not be a relative of the student.
4. Willingly follow the policies and guidelines of the KSOM internship process.
5. Review this Internship Portfolio thoroughly with the student and assure themselves that they understand their role and responsibilities as a mentor. Contact the Director of KSOM if they have any questions related to their role and responsibilities as a mentor.
6. Exemplify “best practice” in their ministry.
7. Willingly complete and submit the required KSOM mentor’s reports.
8. Willingly invest significant time in the intern and the internship process.
9. Refuse to serve as a mentor in those areas in which they lack the expertise or if their involvement is not in the best interest of the student.
10. Refer students to others who have greater expertise in areas and when it is in the best interest of the student.
11. Consult with the student and approve and submit the student’s “internship plan.”
12. Communicate concerns regarding the student or the internship process with KSOM leadership.
13. Maintain a positive, transparent and mutually beneficial relationship with the student, the student’s church and pastor, KSOM and the leadership of the Kentucky Ministry Network of the Assemblies of God.

## Selecting a Mentor:

Students are to select an “appropriate and qualified” mentor/coach(es) who meets the standards outlined above. In addition, the student is encouraged to:

1. Seek a mentor/coach(es) who exemplifies “best practice” in each standard.
2. Recognize that more than one mentor/coach may be needed.
3. End the relationship if the mentor is unwilling or unable to commit the time needed, unwilling or unable to comply with KSOM standards or fails to carry out other responsibilities.
4. Recognize that their pastor may not be the best mentor/coach in all areas and seek their recommendation for someone who can better serve.
5. Develop a positive working relationship with KSOM, the mentor and coach(es) based on mutual respect and passion for ministry.

## Mentor/Student Interaction:

Once a student selects an approved mentor, the mentor must submit the **Certified Internship Mentor Covenant** (form found on page 6) to the KSOM office in order for the internship to officially begin. The student is responsible for contacting their mentor to set up appointments to meet and to remind the mentor of the paperwork that must be completed.

Students and mentors should meet frequently during the internship. They should meet at least one time during each project to review the student’s progress with each project of the internship. An internship will require a minimum of three months and a maximum of six months to complete. An extension can be requested by the student in writing to the Director of KSOM.

## Mentor/Coach Evaluation:

Students are required to meet the standards and objectives stated in this internship portfolio. Students and mentors are to closely adhere to the process outlined in the “steps to completion” section of each project which are designed to insure the value and integrity of the internship process. Mentors/Coaches are to hold students to a high standard of compliance and performance.

Mentors/Coaches are to evaluate the student’s efforts in relation to the stated objective and determine whether the student’s work is **Excellent**, **Average**, or **Unacceptable**. Any student whose efforts are deemed **Unacceptable** in any standard will not receive credit for the internship.

Students whose efforts are deemed **Unacceptable** are to meet with the mentor/coach to identify concerns and design a plan to repeat or create an appropriate substitute learning project. Mentors/coaches are to notify the KSOM leadership that the student’s work was deemed **Unacceptable** and the steps they plan to take to help the student achieve an acceptable rating. The student may repeat the project as many times as needed.

The mentor/coach is to submit a statement of not more than one page detailing their overall impression of the student’s capabilities and potential for ministry, identifying strengths, weaknesses and recommended improvements. This statement may be submitted directly to the KSOM Coordinator, or the Secretary/Treasurer of the Kentucky Ministry Network of the Assemblies of God and need not accompany the other reports. Mentors are to sign all report forms as indicated. Students may appeal any mentor/coach decision to the KSOM leadership.

## At the end of the internship, the following reports must be submitted:

1. Certified Ministry Internship Report: Student Summary (p. 13-14)
2. Certified Ministry Internship Report: Mentor/Coach Summary (p. 15-16)
3. One page summary of student’s overall suitability for ministry completed by the mentor submitted with the Mentor/Coach Summary.
4. One page written report on each project completed by the student.

### Projects:

The projects designated in this internship portfolio as “mandatory” (\*) are components of the credentialing requirement for the General Council of the Assemblies of God. As such, they cannot be altered by KSOM or the Kentucky Ministry Network of the Assemblies of God. To successfully complete their KSOM internship, students **MUST** complete all six projects at each credential level.

### Written Work:

The student is required to submit a written report for each project, as explained in the “Steps to Completion” of each project. Each report must follow the outline below.

Examination: A brief description of their experience and specific information as to what the student learned.

Evaluation: A brief reflection on the “pros and cons” of their experience.

Strategy for Improvement: A description of the steps the student plans to take to improve their competency in the area.

All reports are to be submitted to the KSOM leadership for evaluation.
